

Hey Gamers!

So, I have some bills that I'm behind on and I'm in need of funds, fast. So I'll be opening for Very Short Story Comms!

\$10 per story (around 1,000 words)

Open to many different kinks

Expect a 1-week turnaround period

(This may take longer depending on how many comms I take)

If you ever wanted a short story written by yours truly, now's the perfect time! Shoot me a note and we'll get to work. Keep in mind, these will be very short. And if you don't want one, you can still help out by donating or by sharing this to spread awareness.

Thanks!
