## Day 3:

**The Sheriff of Nottingham** was in a serious belly mood.

**Sajin** gave **Colleen** some cyan gum. She inflated with water before shooting it out. This could be an effective attack.

**Katswell's** fatty body kept growing, eventually destroying one of the buildings from within.

**Rouge** waddled around the arena.

**King K Rool** and **Bergamo** found a hot tub with air jets. **King K Rool** sat on one of the jets, slowly inflating his belly, and had fun with **Bergamo** who was enjoying the expanding "beach ball".

**Salazze** went on a diet, starting with deep-fried water... wait what?

**Magnus** spent the day deflating.

**Opera** and **Haida** did a clean sweep around a water park. They took this opportunity to collect some fitting swim suits and have some fun.

**Darkwing Duck** smothered **Panthy** against a wall with his butt.

**Sonic** found some packages full of cookies.

**Bowser** did a clean sweep around a mall restaurant. Who knew blended drinks could yield... interesting effects.

**Sly** chucked an entire cake into **Freya's** gullet.

**Chopper's** clothing starts to tear due to his expanding body.

**Crash** drove around in a moped. He looked hilarious.

**Bea** tried ramming **Morgana** with a pillow safety car. **Morgana** appeared to sustain no damages. It's like **Bea** was driving a literal giant pillow or something. Wait! That was her. He's on the hunt; hopefully **Wolfrun** can assist... wherever he is.

**Byakko** did a clean sweep around a factory. He started to guzzle down some booze, becoming huge in the process.

**Penelope** was showing signs of berrizim. Thankfully, it's extremely slow.

**Cassandra** practiced a few Lipomancy tricks with **Deeja**. She managed to shift their weights around.

**Werewolf Colleen** waddled around a mountain range.

**Sidon** found a... gem? After grabbing it, he immediately gained a bunch of weight. Stashing it made them thinner. What's its purpose?

**Wolfrun** was following **Meow** and his big jiggly booty when he got word on **Bea's** whereabouts. He tried jumping into his pillow safety car, but it was stolen by **Carmalita**, and his initial target took off. That dirty cop and her sly plans.

**Foxy** tried comforting **Saberwolf** by thickening himself so he wouldn't feel alone.

**Roxy** managed to learn a few Lipomancy tricks. She might use it later.

**Kass** struggles to see his own feet.

**Vector** passed the time via inflating himself.

*Mangle ate some raw cookie dough. They started fattening into a gigantic blob.*

**Tawanna** subdued **Don Karnage** via sitting on them. He escaped when **Monokuma** managed to scare **Tawanna** away.

**Tailbain** managed to learn a few Lipomancy tricks. He might use it later.

*Wilde sprayed gallons of water into Mea's mouth until her belly button popped out the size of her head.*

**Yooka** crafted some bloat darts.

**Hopps** and **Chance** drove in an abandoned forklift they found.

**Falco** tripped and threw his burger into **Revali's** mouth.

**Wanda** ate a bunch of Anerx's Dietary Marshmallows, getting a big, squishy belly as a result.

**Latch** tailors his clothes.

*Leon shot the "Rep Shot" at Kamui's head. The slime forced itself into his mouth, stuffing them like a beanbag chair.*

*Legosi tried to haggle the merchant out of a picture of Haru for free. They caught on and retaliated with a swarm of air shots. He became a nice balloon at a reasonable price.*

Leomon swelled into a big blueberry after Lolbit shoved some berries into his mouth. This time, it was more professional.

**Kazooie's** utility belt snapped off. Inventory management is going to be a pain.

## Night 3:

**Vector** had a not so minor friendly fire incident with **Chance**. They became enemies.

**Wolfrun** found a way to inflate himself on command. He promptly showed this off to **King K Rool**, but he was too tired to care. Besides, he can already do that. Wolfrun sat down, contemplating on how to utilize it against that crocodile lady.

**Hopps** settles **Sonic's** bloated belly.

**The Sheriff of Nottingham** focuses on finding a way to deflate his "buttlons".

**Falco** used his bigger belly to deflect **Byakko's** incoming attack.

Werewolf Colleen turned Opera into a balloony bed.

As a form of interrogation, Roxy was periodically inflating Cassandra about something. She was unsuccessful, but it was quite fun.

**Freya** and **Carmalita** tell stories about themselves to each other.

**Bowser** helped pump water out of **Deeja**. That seemed very uncomfortable.

**Saberwolf** ate a bunch of **Anerx's** Dietary Marshmallows, and got a big squishy belly from each one.

**Darkwing Duck** tried comforting **Magnus** by complimenting his large, chunky body.

**Don Karnage** helps **Panthy** deflate.

**Wilde** was having a dream about getting stuffed by someone, but then woke up noticeably bigger.

**Morgana** got stuck in a doorway... right in front of his target. At least he witnessed something strange.

**Meow** had a nightmare on Wonka St. He woke up much fatter and covered in chocolate and other candy wrappers with a small hint of blueberry in the air.

**Monokuma** ate a strange glowing green hot dog. He gained an excessive amount of pounds.

**Bea** had a nightmare on Gluten St. She woke up with a rising belly. Thankfully, it didn't get too big. She also noticed an intruder stuck in the doorway. Unfortunately, her Massnum decided to jam, and the sneak thief unstuck himself and escaped.

**Crash** did a clean sweep around a movie theater. He decided it was safe enough to watch a late night movie. He decided to watch "Full Moon"; A horror drama where some people turn into fat, hungry, gluttonous beings during a full moon. He could strangely empathize with the characters.

**Bergamo** spent the night barricaded in a pizzeria security room. He swears there's something wandering in the halls... giggling. No pizza can help thin his fear.

**Leon** successfully re-obtained their thin form in their sleep... somehow.

**Sidon** helped pump water out of **Lolbit**. That seemed very uncomfortable.

**Tawanna** was showing signs of berrizim. Thankfully, it's extremely slow.

**Latch** thought he managed to convert **Haida** but it was a Palloncino Sosia set up by **Tailbain**. It started to inflate, but **Latch** managed to destroy it in time. The real **Haida** was trying to initiate plan B, but botched it up and had to run away.

**Wanda** and **Colleen** regrouped for the night as they proceeded to stuff themselves.

**Revali** and **Sajin** had a minor friendly fire incident. They both agreed that it was a simple accident.

**Rouge's** body armor exploded off and she did her best to repair it.

**Kazooie** was having a dream about getting stuffed by someone, but then woke up noticeably bigger.

**Sly** tried purchasing something from a merchant, but they were closed. Very unlike him.

**Penelope** and **Salazle** did a clean sweep around a carnival. They took this opportunity to have some fun.

***Yooka's fatty body kept growing, eventually destroying one of the buildings from within.***

**Foxy** spent the night chugging cartons of chocolate milk, his belly expanding 5 inches for each one.

***Chopper slept in a bed of flowers, but they were Alerga flowers, and he bloated like a blimp.***

**Kass** looks at the night sky.

## **Day 4:**

**Colleen** inflated a green signal balloon. This means the area is safe.

**Wilde** made **Revali** drink an extremely fattening shake in a short time range. **Revali**'s belly was significantly bigger.

Despite being very inflated, **Kazooie** still manages to stay grounded and mobile. She managed to deflate herself later. The perks of being a bird

**Sajin** waddled around a beach. It was quite peaceful.

**Sidon** found **Monokuma** inflated in an elevator. He helped him deflate, then they both took the stairs.

**Hopps** found a hot tub with air jets. She sat on one of the jets and relaxed with her now inflating belly.

**Magnus** and **Tailbain** smothered **Bergamo** via ramming their bums together.

**Penelope** and **Salazze** trade ammo.

**Falco** threw a blimp grenade, but **Leon** discovered that it was a dud. Stupid bird.

**Foxy** got stuck in a window sill. Maybe shutting down last night would have been more advisable.

**Wanda** struggles to see her own feet.

**Lolbit** and **Saberwolf** smothered **Tawanna** via ramming their bellies together.

**Wolfrun** checks their phone, revealing some information. Checking for people: there are currently 7 contestants nearby him. 3 are very close to him. His prime target is Bea for: "being a general nuisance and eliminating the more skillful guy". His top ally is Morgana for: "being good".

**Sly** and **The Sheriff of Nottingham** smothered **Chance** via ramming their bellies together.

***King K Rool** swelled into a big blueberry after eating some suspicious berries at a docking station.*

**Freya** found a way to inflate herself on command. She promptly showed this off to **Sonic**, who swiftly picked up on the technique.

**Kass** drove around in a moped. He looked hilarious.

**Byakko** sits on a chair, only for it to break.

**Morgana**, **Deeja**, and **Panthy** did a clean sweep around a candy store. They managed to collect some oversize jawbreakers. **Wolfrun** came barging in, excited to see if... oh nevermind, his teams just distracting themselves.

**Roxy** worries about her body having a limit.

**Werewolf Colleen** did a clean sweep around a movie theater. She decided it was safe enough to watch a movie. She decided to watch "Something More"; A bizarre movie about a new world. Expansion seems to be a common theme.

**Latch** stepped on a trap set up by **Haida**, but it failed to immobilize him. That makes 2 for failing to immobilize **Latch** specifically.

**Don Karnage** and **Bowser** found a hot tub with air jets. They both sat on the jets, and relaxed with their inflating bellies.

**Meow** feels a little funny. Just a gut feeling.

**Rouge** drank an entire pond and shot it at **Darkwing Duck**. He was swept away.

Vector tried to haggle the merchant out of a new pair of headphones for free. They caught on and retaliated with a swarm of highly potent berryizer tipped bloat darts. He became a good source for some delicious juice at a fair price.

**Crash** did a clean sweep around a candy store. He struggled to decide what to snatch up.

**Carmalita** found some packages full of cookies.

**Bea** was tempted to drink a can of diet soda, but with that vigilant thief and BDSM wolfman after her, who knows what would happen if she drank that.

## Night 4:

**Falco** was posing and showing off his super big beautiful body to **Kass**. He tried bragging about it saving him, but **Kass** kept confusing him with Revali and effectively deflated his ego.

**Wolfrun** was cheering on **The Sheriff of Nottingham** who was fighting with **Sonic** as he was trying to make some new bloat darts, but **The Sheriff's** ego distracted him and Sonic dashed off.

Haida swelled into a big blueberry after eating some suspicious berries. I'll give you a wild guess on where he was.

**Don Karnage** helped pump water out of **Saberwolf**. That seemed very uncomfortable.

**Wanda** thought she was fighting **Leon** but it was his Palloncino Sosia. It started to inflate, but **Wanda** managed to destroy it in time.

**Sajin** waddled around a beach with **Tawanna**. It was quite peaceful.

**Latch** had a nightmare on Eukaryotic St. He woke up right next to a giant berry. Wait, no that's just Haida... again. Seriously, he should have just picked someone else.

**Carmalita** relaxes with her bigger body.

*Monokuma was having a horrible nightmare where a burnt man kept filling him with water while making water based puns. He woke up a big sloshy blob.*

**Darkwing Duck** had a nightmare on Wonka St. He woke up much fatter and covered in chocolate and other candy wrappers with a small hint of blueberry in the air.

**Morgana** focuses on finding a way to deflate his "buttlorns".

**Crash** slashed **Bowser** with a green Injector. He slightly inflated, and **Crash** dashed off.

*Lolbit was having a horrible nightmare where a burnt man kept filling her with water while making water based puns. She woke up a big sloshy blob.*

**Chance** couldn't get enough jelly beans, until his belly started rapidly swelling. Thankfully, he could still move, but barely.

**Bergamo** stole **Tailbain's** sweetroll.

**Foxy** hunkered down in an apartment room for the night.

**Sly** was having a dream about getting stuffed by someone, but then woke up noticeably bigger.

**Werewolf Colleen** got stuck in a doorway.

**Hopps** got stuck in a hallway.

**Colleen** found a hot tub with air jets. She sat on one of the jets and relaxed with her now inflating belly.

**Rouge** and **Sidon** regrouped for the night as they proceeded to stuff each other.

**Magnus** tried his best to stabilize his bouncy belly.

**Byakko** was having a dream about getting stuffed by someone, but then woke up noticeably bigger.

**Roxy** relaxed her big, fat body in a nice, warm Jacuzzi.

**Freya** successfully re-obtained their thin form in their sleep... somehow.

**Penelope** settles **Revali's** bloated belly. He was convinced to join **Penelope's** side.

**Meow** activated a blimp grenade, but **Salazze** discovered that it was a dud.

**Kazooie** and **Bea** tell stories about themselves to each other. After listening to why **Bea** may be here, **Kazooie**, for once, felt sorry for someone.

**Panthy** and **Wilde** tell stories about themselves to each other. **Wilde** found it almost unbearable to listen to **Panthy** since she begins her sentences with a moan.

**Deeja** relaxes with their bigger body.
