

Tyler was looking in a thrift store one day looking at the shelves when they saw an Old Yo-Kai Watch toy on the shelf. "Ooo! I loved this series. And It has a metal in it already? Who? Roughraff? Sweet!" Tyler then pulls the metal out then puts it back in the slot again. Suddenly a Orange glow emulates from the watch blinding Tyler. "Ahh! What the?!" When the light fades Tyler sees Roughraff standing in front of them. "What the?" says Tyler. "Yo what the hell? Where am I?" said Roughraff. "You! You brought me here!" "What the hell?!" Shouted Tyler. "Hm...You know. I've always wanted to try something." says Roughraff. "Hm? What do you mean?" asked Tyler before Roughraff sprays him in the face with green spray paint. "Ack! What the hell?!" Tylers skin started to turn green as they grew a short tail & large orange claws on his feet ripping his shoes. "Ahh! What's happening?!" Shouted Tyler. "I've always wanted a brother." Said Roughraff. Tyler gains a fairly muscular build & a pointed & curved mouth along with a long red tongue. "My body. Brother? What do you mean?!" Said Tyler. "You'll see soon." Said Roughraff smirking. Orange markings surrounded his eyes and inner ears as they grew out. "What the?! Stop it Brother! Wait. Why did I call you that?!" Said Tyler. "Because it's true." Said Roughraff as he took out some hair gel and a comb. He began to slaver Tylers hair in the gel and use the comb to comb it into a large orange pompadour. "Damn. That looks on me. Stop! Why am I saying this?!" Said Tyler. "You're becoming me! What's not to like?!" Said Roughraff. Roughraff then rips Tyler's shirt with a switchblade and throws it off him. The then rips Tyler's pants off and puts purple pants on them instead. He then wraps white gauze around his waist. "Ugg...My head. I have a headache..." Said Tyler. "Here. Take these. They will help." Says Roughraff before handing Tyler some meds. Little did Tyler know these will speed up the MC happening to him. "Thanks Daddy-O." Says Tyler before sealing his fate and taking the meds. "So Daddy-O. What shall we do today?" Asked Tyler. "I say we go shoplift some stores. Vandalize some buildings and then we go smoke under the bridge as usual." Said Roughraff. "Yea! Let's do it!" Says Tyler before they go out and have fun.
