

# Mohrlex's Commissions.

---

-The price of each commission type is specific to a single character, and each extra character costs 50% of the base commission price, (for example, a Tier 2 commission for a single character costs \$45, with 2 characters in it the frame would be \$68). POV characters are not charged

-By the end you will received a JPEG file and a PNG each ranging 3500 x 4000 pixels and can be either portrait or Landscape, this can be done in a different size if you have an specific purpose in mind (like a Desktop Background for example).

-I am willing to draw most stuff, but for more specific kinks please refer to this F-list (<https://www.f-list.net/c/mohrlexcomms>), if your idea doesnt fall under what i have selected for this, please dont hesitate to contact me, we can always talk about it.

-The final product will be upload to e621, Bluesky and Furaffinity, this is done for Publicity and promotion. After you have received your package, you may do with it as you please except profiting from it.

-Currently i am only taking paments thru Paypal, this consist of 50% at the beggining of the commission and 50% at the end of it, once the Linework has been laid down i wont be making any changes, please udnerstand that devolutions are not accepted.

-I can work with both SFW and NSFW.

-In order to contact me, you can send me a message on
