

Hello, dear potential readers.

I'm opening commissions with almost any fetish you can imagine, be it vore, weight gain, vanilla, facesitting, hand holding, you name it. Although I'd rather avoid things like diapers and cubs, while I can do more extreme fetishes like non-con or gore.

20 USD per 1k, up for negotiations

You can hit me up with a note or just can use my discord for quicker response -
