Sadie: WHAT!?

Shanks: Gizmo Alfred! He was there!?

Jimmy: Yes I stopped him but when we were Escaping the police Spike Carried me and we both left the Fairgrounds after Gizmo's Escape.

Angelo: [Dammit Scrap that f\*\*king idiot! I knew something was right] Listen I'm sorry I judged Spike I was following orders to them to take him in quietly I guess they Took Matters in their own hands.

Chungs: If this is True then Spike could be in big trouble without us to give him proof it wasn't him.

Angelo: Actually about that Scrap may think Spike was working With Gizmo thinking he was an Accomplice.

Jimmy: What!? That so Stupid he wouldn't work for someone twist after Gizmo Cursed Spike.

Joseph: Wait, he was Cursed?

Jimmy: Another story for another time.

Sadie: Even so this is indeed bad if we don't save Spike this could end up ugly for him.

Shanks: Well my truck is f\*\*ked how we supposed to find him.

Ceo: \*Thinking until lightbulb\* Ah! I know who can help, let's head back to the house.

Sadie: What? Why?

Sadie: Look we aren't gonna force but either way whatever Ceo is saying is true you have to help and I want a serious conversation later only the two of us alone, And i'm not mad just upset and hurt you didn't tell me this at all.

Ceo: Besides you promised yourself in future you use hacking to help others right?

Mya: !

Ceo: You told me yourself and look if you won't do it I'll just do it myself if I have to.

\*Mya was on a Tight spot as she grip her fist hardening as she let out a breathe sigh of relief until she gave in\*.

Spike: Uhm anyway so why pay attention to me I mean I'm not introuble right?

Klaus: Oh why no of course not it's just.. we never had a Yoshi living in our city before that is all but Spike may I ask a Question?

Spike: What's up?

Klaus: Have you ever heard of the First Existing Blue Yoshi?

Spike: First Existing Blue Yoshi? Whazzat?

Klaus: Oh? You don't know? I thought Volcano Island had a Yoshi God they used to look up to and worship.

Spike: Ooooooh you mean Boshi Yoshi! Yay I know his legend he is the best Yoshi waaaaaay back then \*Smiling excited\*.

-Story of Boshi-

Spike: It all started Back then in a Yoshi Town in 1996 there lived the old time yoshi's including the Chubby yoshi they hold every time of year a Race to know who is the Fastest Yoshi in the Town, There lived a Young Yoshi that was Half Raptor but still a Yoshi his name Was Boshi Yoshi he was the Star racer he was known as the Fastest Yoshi in the world but until one day a Ancestor Plumber took the Race challenge for the First Green Yoshi to ride on to Race Boshi but in the end The Plumber and the Green Yoshi Stomped Boshi and was down to defeat, After then Boshi tried through and through to beat the Plumber, Through Springs, To Hot Deserts, Hail, Dark lands etc, He was determined To be faster and faster then he was before until he had a Accident Where in a Raging Thunder storm a Cyclone was heading towards him and was sucked in during the process until a Huge Lightning Struck him in the Cyclone disaster and after a few days recovery Boshi had powers and he Ran so fast he was like Lightning and since then He won every race time and time again and even beat the Plumber and The Green Yoshi to claim his Champion Title again.

-Story of Boshi End-

Spike: Yep that's how he became the greatest Yoshi to ever live but then he disappeared. That's what I used to learn in the island schools in our history plus there's even a Carved Statue of him in his honor. I always look up to him knowing that he was Best Ever.

Klaus: Hmm Interesting so tell me don't you think it's similar.

Spike: Eh? Similar to what you mean?

Klaus: Why of course I mean you haven't noticed until now? The story is true yes that did happen to him but have you looked at yourself, Your "Powers?"

Spike: Huh well you know now you mentioned it, I do have Super Speed but it doesn't exactly make it similar does-.

Klaus: You Foolish Naive Boy! How could you not see it! Your Powers and Boshi's Are Alike!  
How can you be so dumb to not realize that!

\*Spike Gasps sudden by Klaus's Outburst even Violet was surprised as well as she tries to calm him down\*.

Violet: Mr.Holt! Calm down your having am Outburst!

Klaus:... \*Clears my throat\* Apologizes Spike... but listen what I am saying is similar to what you said to the story and his abilities don't you think it's odd for someone like you to be having these weird abilities?

Spike: Well.. uh... I don't think that's true I mean I'm not really Boshi I'm just Spike...

\*Suddenly Spike Remembered something in his dreams he keep having\*.

-Flashback Protologue and Chap 16-

[Chap 16]

Blue Yoshi: Spike you have to wake up!

Spike: \*Gasps big\* Oh my god....

Klaus: Huh? What is it?

Spike: That's right I remember in my Dreams it was-.
