Spike: But I did save one Vehicle... or was it 2 more \*Thinks\*.

Chief Yoshi: Don't change the subject Spike, Your Reckless, Noisy, and always cause Trouble but thankfully nothing bad happen to the bank.

\*As soon as the Chief said that the large Scissors hit hard on the hard Concrete then everyone heard a large crack as it spread up the bank top roof until the whole bank crumbled to dust as all the hard work was down the drain\*.

\*Spike looked at Jimmy as he remembered past memories of how different Spike was to other yoshis as they all rejected to be his friend\*.

Spike: I know how it feels I almost had that experience too I'm sorry that happened to you,  
\*Walks up to him wiping his tears\* Hey listen we may got on the wrong foot but hey I really really want to be your friend.
