Gizmo: Ooooh yes I remember the Chicken Boy.

Spike: I am a Yoshi!

Sadie: Look it doesn't matter what are you doing here!? Don't you know your wanted in the City your probably not allowed here!

Gizmo: Awww Little Girl don't be so hasty besides I'm only here to do my Magic show, Oh Jimmy after our... misunderstand Magic battle and of course you beating me Somehow I took into research and fixed up my mistakes in my Magic and so I am known to be more skilled than last time we met, Now listen Jim how about we make a little deal.

Jimmy: Not interested, thanks.

Gizmo: If your thinking of joining my show as a Assistant No god no it's not that, It's just that you don't make a Magic show and I'll forgive you of what you did for ruining my Old Magic Show, And besides I gotta entertain my audience so I must go, So Jimmy stay away from Magic if you know what's good for you *Smiling poofing away*.

Ceo: Wow what a Dick.

Joseph: What the hell did you do to that guy Jimmy?

Jimmy: *Sighed* I uh... better not talk about it...

Spike: Well he looked too friendly to us and plus he threatened you Jim so how Dare he!

Mya: We should just call the cops beside whatever he is planning can't be good he could be scamming his shop for people to see.

Jimmy: N-No...! *Was shaking a bit*.

Then they looked At Jimmy as he was slight terrified as this worries Spike.

Spike: Jim?

Jimmy: Look We should just... listen to him We aren't doing anything to infer his show so we should let him be.

Shanks: What are you saying? Are you even hearing yourself right now Jimmy?

Jimmy: Look I understand your right he should be put In Jail but I just feel like not getting in his was before last time It was Just Spike and I against Gizmo but Spike was captured to Gizmo when rejecting the Collab show he almost killed Spike if I didn't beat Gizmo and he's right I just got lucky meaning In reality I'm just weak...

Spike: Jimmy...

Jimmy: And I can't involve you guys with Gizmo and I from before. If he does something to you guys I'll be held responsible for everything And-.

Spike: Jimmy hey hey listen you gotta calm down please I understand your still upset what he did to me frankly I am too but you are not weak remember the Mall?

Jimmy: *Gasps*.

Spike: When you were captured I went to Save you just like when you were saving Me from Gizmo and after the vampire nearly beat Us you used Powerful magic to defeat her and in the

end you got much stronger than before so don't beat yourself up from What happened before none of us are blaming.

Jimmy:...*Sighs* Yeah I guess you're right but still...

Soon the discussion kept on going until Ceo interrupted.

Ceo: Uh excuse me Jimmy?

Jimmy: Yes, what is it Ceo?

Ceo: Okay so what if I said there was someone you know that Looks Fluffy and Great Mohawk Hair.

Jimmy: What? What are you talking about your not making sense...

Ceo: *Points over a distance*.

Then in distance it was Luciano he was in the Fairgrounds ordering Funnel Cake as suddenly Jimmy gasped blushing covering his mouth turning away.

Spike: Oh hey it's the Vampire Bear! *Surprised*.

Mya: Wait Vampire?

Ceo: Oh right you weren't there for that Mya, Okay its Jimmy's Weird Vampire friend.

Jimmy: H-hey! He's not Weird! He's just... *Blushing holding my arm nervous*.

Shanks: "He's"?

Jimmy: Just a really good friend.

Spike: Hey! *Offended*.

Jimmy: Spike, you're still my best friend.

Spike: Good *Smiles*.

Sadie: Wait, isn't he the brother To that sister that tried to kill you?

Shanks: She's Right how can We trust him? You may do but we won't forget what his sister tired To do.

Jimmy: I understand that Shanks but Luciano isn't like his Sister, In Fact... he's really kind and really understands Magic really do *Smiles poking my fingers together feeling happy with feelings*.

Ceo: !, *Smirking* Well why don't go talk to him since you trust him that much *Smiling*.

Jimmy: W-what!? N-no I just can't go up to him and say "Oh hey Luciano how are you doing? Me I'm still alittle bit Shaken by your sister nearly killed and had you abandoned Your clan all together causing you to be homeless... *Guilty*.

Everyone:....

Ceo: Go talk to him.

Jimmy: What but-.

Mya: Ceo! *Mad*.

Ceo: Relax it was a Gentle, Just go talk to him dude!

Jimmy: *Turns to Luciano in distance gulping nervous as I walked breathing slowly* [Okay no problem just talk to him...y-you can do it just walk casually].

Then Jimmy does a Weird walk like a Robot does as Oddpair found it hard to take seriously to watch Ceo and Joseph just giggled while Shanks and Sadie didn't want to look at That embarrassing walk as Spike being a Good best friend supports Jimmy with double thumbs ups.

Jimmy: *Blows as I put on a smile* Luciano! *Yells out*.

Luciano: Hmm? *Turning around surprised* Jimbo!?

Jimmy: Luciano! Hey! *Runs up stopping*.

Luciano: Well Holy sh*t It's been a while how you doing Jim?

Luciano: Ah right yay sorry about that.

Jimmy: N-no! Its okay *Waving my hands around sweating* It was not your fault, but it was awful how she treated you... and I'm sorry you left the clan by hanging out with you. I mean if I haven't been with you, You could of-.

Luciano: Jimbo listen to me for real talk, Listen I don't care about my sister's sh*t okay? Infact disappointedly I tried for God I tried to call her to make she is good but she didn't want to answer it was clear she didn't need me anymore, So I have no regrets, Plus I'm doing alot better too not being in the cave not Hibernating to a sleep for like 2 years it just feels great.

Jimmy: O-oh well I'm glad you are doing good, But I thought I wasn't gonna see you again..., and I thought you hated me after you were kicked out.

Luciano: Where the hell is this coming from Jimbo listen I don't hate you, Your Fun, And Really cool to be around sure a Nerd but your one of those talented ones I don't give a sh*t about who you are, You are what you are. And you are perfect in everyway *Smiles* So relax.

Luciano leaned in to pat Jimmy's shoulder as Jimmy felt his heart racing so fast as he was Blushing his eyes shining a bit.

Jimmy: Oh uhm... thank you, So uhm *Snaps myself back to reality* Where have you been though?

Luciano: Oh well I've been in a Motel for a few weeks now, I mean I would like to afford an actual home but sadly I am almost out of Blood money.

Jimmy: Blood Money!?

Luciano: Oh no no not that kind I don't kill others for money to steal its show my money that's red and blood like *Shows* See?

And it was true in Luciano's Bloody Wallet showed Red Blood like money as it really wasn't blood just red blood colored dollars.

Jimmy: Okay I didn't but it's good you don't do that kind of well... stuff.

Luciano: Yay, Oh hey I was just having fudge cake you want some?

Jimmy: Oh Yes actually I haven't had breakfast actually *Smiled a bit of sweat*.

Luciano: Okay and hey you don't have to pay I'll handle it.

Jimmy: Oh you don't have to-.

Luciano: Jimbo I insist seriously if you want to repay me back after last time stop guilt tripping and wanting to owe me back It's really okay trust me I just like to hang out with you again like before.

Jimmy:... *Smiled* Yeah you're right I'm sorry Luciano I just thought I would help you.

Luciano: I know and it's okay and don't you dare blame yourself for my position right now Frankly I don't care about the clan.

Jimmy: Oh okay...

Then Luciano got his fudge cake with Jimmy as they start eating together Jimmy's Funnel cake being his favorite crave in desserts.

Jimmy: Mmmm~ *Mumbling Munching the Funnel cake smiling* Ah I miss having this stuff.

Luciano: *Laughs* Jimmy, you got some Sugar powder on your Lips.

Oddpair and Luciano shocked Jimmy expressing himself as he nearly broke the table as he made a huge crack.

Jimmy: Oh no I'm sorry! *Worries tone* I-i didn't mean to-.

Then Jimmy stopped as Luciano held Jimmy's hand and pulled him into a hug.

Jimmy: *Shocked looking up*.

Spike: *Joins the hug* Just let it out Jim.

Jimmy:....*Sniffles until crying* I... I hate him... your right I just am scared of what he may do to you guys I just... don't want to endanger everyone.

Shanks: To hell with that whatever your problem we can handle it.

Ceo: Damn straight we're more than a Team we are your friend, Right Mya?

Mya: Well you are sensitive when you're kinda handling stuff on your own.

Sadie: Yay no one deserves to be talked like that shit.

Spike: And there's only one way to do it! By breaking his rule, You are gonna do a magic show!

Jimmy: Huh? M-me no I can't do that again I mean my Magic is good but it's not that great...

Spike: Jimmy Blubba you listen to me you Big Orange Marshmallow, As your best friend I will be damned if you get defeated by that f**king Magician, He needs to pay not to me but to you, So what you need to do is get out your comfort zone and do a Magic show and beat him at his own game!
